

"Dr. Sandy Outlar led our school leadership team (administration and board) through two board retreats that strengthened each of our board members and helped us turn our vision into a strategic plan.

Dr. Outlar's record of success in Christian school administration and his spiritual wisdom provided us with an invaluable resource."

—Tom Wieland, Headmaster

Harrisburg Christian School, Harrisburg, PA

"The Board Seminar was a highly effective and valuable tool for training board members. It was especially helpful to new board members and helped with strategic planning and vision for the entire board."

—Sarah Patterson, Administrator

Lexington Park Christian School, Lexington Park, MD

"What a tremendous benefit to have our board understand their role and that of the administrator. Our board has really come a long way since the Board Seminar".

—Eric Kerns, Former Administrator

Faith Christian Academy, Martinsburg, WV

"Board Development has proven to be an effective means of assisting the FCS School Board in understanding their role and responsibilities. The practical direction given has helped the board to focus on becoming more efficient and working towards achieving their goals."

—Mrs. Esthu Eliason

Flushing Christian School, Flushing

OUR ORGANIZATION

MACSA is a non-profit service organization for member Christian schools located throughout the mid-Atlantic region of the United States. Membership includes more than 200 schools and individuals representing 10 states.

OUR COMMITMENT

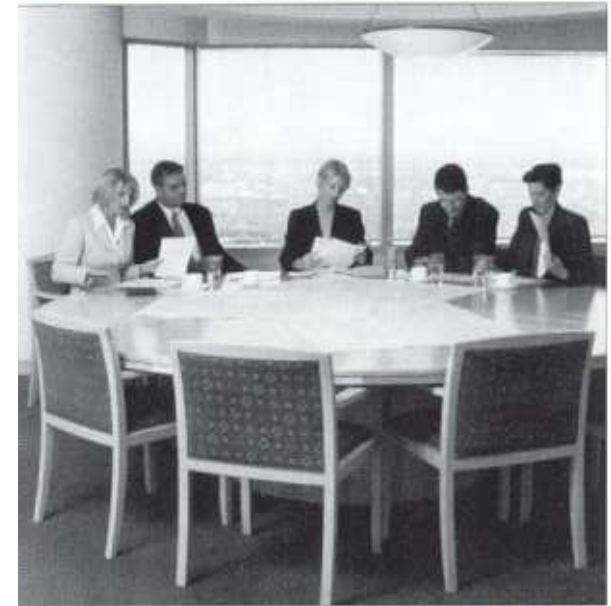

- To aid Christian school administrators and teachers in personal and professional growth.
- To provide quality Christian school services at a reasonable cost.
- To honor the Master Teacher of Christian schools in all we do.
- To serve in a spirit of Christian love and practical support.
