

August 2009

Dear Fellow Administrators,

It is difficult to believe that summer has come and gone and the start of another school year is upon us. I trust that you are experiencing God's goodness as you prepare for another year of serving those children attending your school. Each one is a tremendous blessing from the Lord and possesses great potential for the furtherance of Christ's kingdom. What a responsibility we have as educators in training these youngsters in "the fear and admonition of the Lord."

Because of that great responsibility, membership in a professional organization such as the Mid-Atlantic Christian School Association (MASCA) is of vital importance. Joining together with those of like-minds is critical as we take on this very important role of training the next generation of spiritual leaders for our society. Enclosed with this letter you will find your membership application for the 2009-10 school term along with our calendar of events. Please check our website ([macsaonline.org](http://macsaonline.org)) to view the services we offer. As MACSA enters its 61<sup>st</sup> year of "serving schools that serve the Savior," we ask that you prayerfully consider joining with us as we strive together to be all that we can for the glory of God.

Since its inception, MACSA has provided:

- A nationally recognized teachers' convention
- Student activities
- Administrative fellowship
- Consultation with Christian school administrators and boards

In recent years, MACSA has been blessed to be able to provide:

- On-site administration/board seminars
- Principals' luncheons
- the Development Institute
- A nationally recognized communications effort in [DiscoverChristianSchools.com](http://DiscoverChristianSchools.com)

We look forward to seeing you at our 61<sup>st</sup> annual convention in Lancaster on November 4-6.

May God richly bless you as together we serve our school families in proclaiming the gospel of Jesus Christ.

Through His Grace,

Timothy M. Sierer, Ed.D.  
President
