

August 2010

Dear Fellow Administrators,

Another school year is about to begin and I am sure that we all are wondering, "Where did the summer go?" We believe in the importance of Christian education and trust God to help us to be schools of excellence centered on Biblical principles. Each day we pray for our individual schools, the needs of our families and staff, and for all involved in the ministry of Christian education. I am sure we all agree that the world is in need of a generation that will serve God faithfully and make an impact for Christ in our world.

The Mid-Atlantic Christian Schools Association has at its center the desire to serve Christian schools that serve the Savior in this unique school system. As a regional association, we seek to create stability and improvement of Christian schools.

For over 50 years, MACSA has provided:

- A nationally recognized teachers' convention
- Student activities
- Administrative fellowship
- Consultation with Christian school administrators and boards

In recent years, MACSA has been blessed to be able to provide:

- On-site administration/board seminars
- Principals' luncheons
- Development seminars
- White paper days
- A nationally recognized communications effort in DiscoverChristianSchools.com

Approximately 200 schools are part of MACSA and membership fees are still very reasonable. One practical benefit of membership is the significant discount available for the teachers' convention, which will be held in Lancaster on November 11-12, 2010.

Enclosed with this letter you will find your membership application for the 2010-11 school term along with our calendar of events. Please check our website (macsaonline.org) to view the services we offer.

I look forward to serving as the MACSA president this year and trust that God will richly bless each of our schools as we serve Him.

In Christ,

Barbara C. Williams
President
