

August 15, 2011

Dear Administrator:

Summer is a time to look back and reflect on the past year and look ahead to plan for the upcoming school year. It is a time to reflect on where we have come from and where we want to go. It is increasing apparent that our country and our world need citizens who are people of integrity and commitment. As Christian school leaders we believe in the importance of Christian education and trust God to help us to be schools of excellence centered on Biblical principles.

For over 50 years the Mid-Atlantic Christian School Association has had at its core the desire to serve Christian schools that serve the Savior. As a regional association, we seek to provide resources to help Christian schools continue to improve in the areas of administrative and staff development and student services.

MACSA provides:

- A nationally recognized teachers' convention
- Student activities
- Administrative fellowship
- Consultation with Christian school administrators and boards
- Development activities and seminars

Approximately 200 schools are a part of MACSA and membership fees are still very reasonable. One practical benefit of membership is the significant discount available for the teachers' convention, which will be held in Lancaster on November 10-11, 2011.

Enclosed is a calendar of activities and a membership form.

I look forward to serving as the MACSA president again this year and trust that God will richly bless each of our schools as we serve Him.

In Christ,

Barbara C. Williams
President
